## Formation

---

12/2009 - Technical course on computer assembly and maintenance, SENAI, Canela.

12/2015 - Formation on multiplatform network administrator, Sisnema, Porto Alegre (80 hours).

12/2017 - Official course and certification Ubiquiti Enterprise Wireless Admin (UEWA).

12/2017 - Bachelor degree on Information Systems, Faccat, Taquara.

## Experience

---

### Gtek Informatica - IT Analyst (2019 - Present)

I'm specialized in server and network management of a large number of companies in the city.

### Bela - Sysadmin (2018 - 2019)

Used to maintain a mail hosting provider and a financial startup company, based on Amazon EC2 and a big collaborative team of developers.

### Gramado Parks - IT Analyst (2015 - 2018)

I was in charge to manage Windows and CentOS linux enterprise servers, a complex network based on OSPF routing, and user support.
